

What Make-A-Wish[®] Oregon is doing locally

Make-A-Wish Oregon granted its first wish in 1983 to Sam who wished to meet Erik Estrada. In that first year we granted five wishes. Today we grant more than 250 wishes annually to children throughout Oregon and Clark County, Washington. We are able to do this important work thanks to a powerful network of volunteers, donors, sponsors and staff members. But our work is far from finished. Right now, for every child who receives the gift of a wish experience, there is another child we are still trying to reach. With community support and your investment in Make-A-Wish Oregon, deserving children will be able to look forward to their future with hope instead of fear.

What types of wishes are granted?

Make-A-Wish Oregon provides unparalleled wishes as imaginative as the children who dream them. Most wishes tend to fall into one of the following four categories.

"I wish to go..."

"I wish to have..."

"I wish to meet..."

"I wish to be..."
